

Patient Information Leaflet

The Hollies Medical Centre is a partnership providing NHS Services under an NHS General Medical Services Contract.

The Hollies Medical Centre
20 St. Andrews Road
Sheffield
S11 9AL

Telephone No. 0114 2550094
Website: www.theholliesmc.co.uk

GP services are provided to the following areas:

S7 & S11

Further information can be sought from www.nhs.uk

Teaching practice

The practice is a teaching practice and occasionally trainee GPs may, as part of their training, be required to sit in with their trainer GP during consultations with patients.

You will always be asked if you consent to this prior to your consultation. If you do not consent, the trainee GP will not sit in on your consultation.

How to register at the practice

The quickest way to register at the practice is to use the practice website. You must live within the practice area, predominantly post codes S7 and S11 which is shown on the website. If you are unable to use the website, please contact the practice for information about how to register.

Patients' rights and responsibilities

When registering, you have a right to express a preference to be seen by a particular GP. This will be recorded on our clinical system and, where possible, you will be allocated appointments with that clinician. All patients will be assigned an accountable GP.

Services we provide

Along with routine appointments, the practice offers the following services:

- **Family planning** – All our GPs and the practice nurse offer a full range of family planning services
- **Immunisations** – The nursing team administers vaccines for both adult and child immunisations. We hold set vaccination clinics for Flu Vaccinations throughout winter. If you are unable to attend these clinics, please discuss with a member of our administrative staff
- **Minor surgery** – Your GP will advise on minor operations
- **Cervical smear testing** – For women aged 25 – 65. These tests are undertaken by the nursing team.
- **NHS Health Checks** – These clinics are aimed at encouraging a healthy lifestyle for our male and female population between the ages of 40 and 74.
- **Chronic disease management** – We hold a range of clinics to help our patients to manage their long-term medical problems including asthma, diabetes, hypertension, kidney disease and heart disease.
- **Other services** – Health checks for adult patients aged 16 to 74 years and 75 years and over are also available especially for those who have not seen a clinician at this practice. Details are available from reception and on the practice website.

We also offer the following clinics and checks: antenatal, baby, post-natal, smoking cessation, counselling for drug and alcohol addiction

From time to time, other services may be available such as raising awareness of a particular disease or condition. We will advertise this information on our website and within the practice.
